## PREFACE

This is the thirteenth bulletin in a series of migration reports produced by the Statistics Department as the main reference on volume of overseas visitors, cruise ship passengers, yacht passengers and residents movement to and from the Kingdom of Tonga. This bulletin covers the period from January to December 2011. Included are tables providing a monthly breakdown of the data.

The data is extracted from the arrival and departure cards of the Immigration Department, Ministry of Foreign Affairs, and Customs Department's vessel & yacht log book.

This bulletin presents information relating to number of arrivals and departures by port, passenger type, transport mode, gender, age group, purpose of travel, country of usual residence, and country visited.

Special thanks are extended to the Immigration Department of the Ministry of Foreign Affairs and Trade, Customs Department of the Ministry of Revenue Services, Airport Terminal Services and Ports Authority for their assistance in providing their administrative information relating to these statistics. I am also grateful particularly to my staff in the Population and Social Statistics Division who contributed to the compilation of this report.

Any suggestions that recipients of this bulletin wish to make for its future improvement will be welcome by the Statistics Department.

## 1. MAIN FEATURES

### 1.1 General

- (i) Net overseas migration is one component of population change used to estimate the Tonga usually resident population, as are births and deaths.
- (ii) Individuals are considered to be residents when they reside in Tonga for at least one year.
- (iii) Due to the limitation on the data collected we are unable at this stage to determine whether arrivals and departures are of a long term or short term duration.
- (iv) For 2011, total international arrivals were 94,960 and total departures were 95,607, a net outflow of 647.
- (v) This means that there are more persons departing the Kingdom than persons arriving for the year 2011.

### 1.2 Total International Arrivals and Departures

Fig 1. Below shows the Total Arrivals and Departures to and from the Kingdom of Tonga for the years 2002 to 2011.

The diagram shows an upward trend from 2002 to 2011 for both total arrivals and departures. Both arrivals and departures hit the highest point in 2009 before declining in 2010 and increasing again in 2011. In year 2007, there were more people departing the Kingdom than arrivals.

### 1.3 Total International Arrivals and Departures by Annual Percentage Change

Table 1.1 below shows the total arrivals and departures by annual percentage change for 2004-2011.

<b>Table 1.1: Total International Arrivals and Departures 2004-2011</b>				
<b>Year</b>	<b>Total arrivals</b>	<b>% change</b>	<b>Total departures</b>	<b>% change</b>
<b>2004</b>	<b>66,639</b>	<b>-</b>	<b>70,206</b>	<b>-</b>
<b>2005</b>	<b>76,286</b>	<b>14.5</b>	<b>73,540</b>	<b>4.7</b>
<b>2006</b>	<b>78,652</b>	<b>3.1</b>	<b>82,268</b>	<b>11.9</b>
<b>2007</b>	<b>75,587</b>	<b>-3.9</b>	<b>83,416<sup>1</sup></b>	<b>1.4</b>
<b>2008</b>	<b>91,128</b>	<b>20.6</b>	<b>92,890</b>	<b>11.4</b>
<b>2009</b>	<b>99,803</b>	<b>9.5</b>	<b>99,360</b>	<b>7.0</b>
<b>2010</b>	<b>89,506</b>	<b>-10.3</b>	<b>90,607</b>	<b>-8.8</b>
<b>2011</b>	<b>94,960</b>	<b>6.1</b>	<b>95,607<sup>2</sup></b>	<b>5.5</b>

From the table above we can see that total arrivals were at the highest point in 2009 with 99,803 persons arriving in the Kingdom, an increase of 31% from 2005. Similarly to total arrivals, total departures were at the highest point in 2009 with 99,360 persons leaving the Kingdom. Most of the increase was between 2007 and 2008 which was 20.6% for arrivals. After the fall in 2010 of 10.3% from 2009 for total arrivals and 8.8% for total departures, total arrivals increased by 6.1% from 2010 to 2011 and total departures increased by 5.5%. This is due to the increased number of visitors on cruise ships.

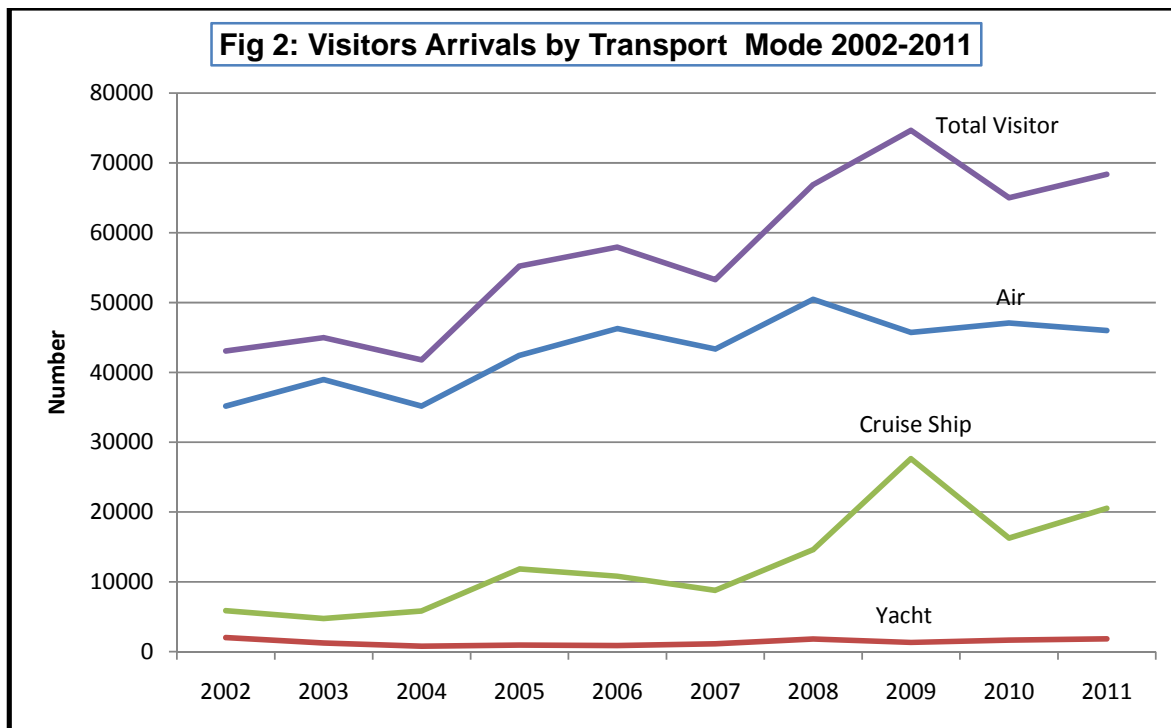

<sup>1</sup> - Estimates based on the Air Terminal Services (ATS)

<sup>2</sup> - Departures for the month of June and September was provided by Air terminal Services (ATS)

## 2. INTERNATIONAL ARRIVALS

### 2.1 International Arrivals by Transport Mode 2011

The total international arrivals to the Kingdom by transport mode for 2011 is shown on the graph below.

The diagram shows that international air arrivals dominated the total international arrivals to the Kingdom followed by arrivals on cruise ships and then arrivals by yachts. The increase of total arrivals from 2011 is due largely to the increase in arrivals by cruise ships which was 20,519 compared with 16,265 in 2010, and yachts arrivals which increased from 1,659 in 2010 to 1,849 in 2011.

## 2.2 Total Arrivals by Transport Mode and Month 2011

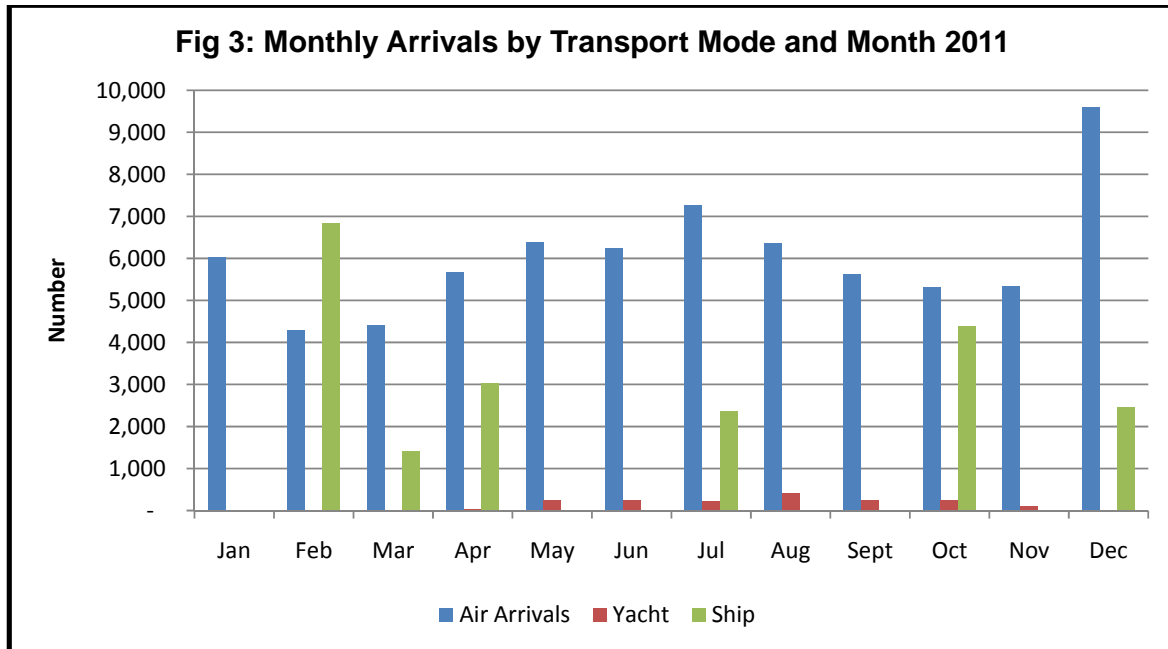

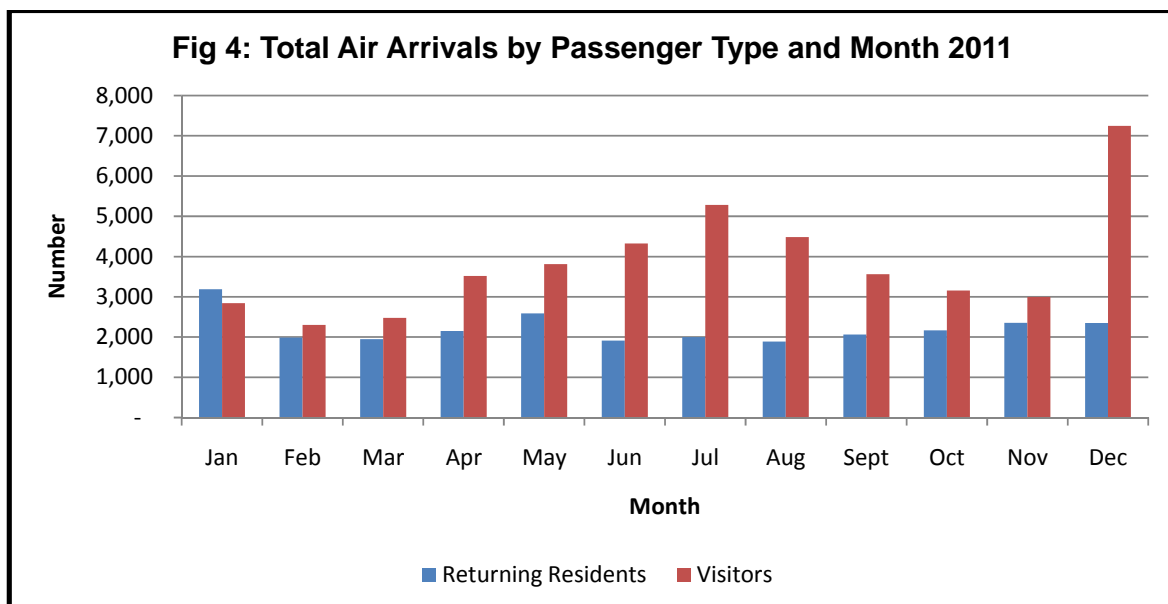

Figure 3 shows that air arrivals were highest in December (9,598) followed by July (7278). Cruise ships visited the Kingdom in February, March, April, July, October and December. The highest number of cruise ship arrivals was in February 2011(6,847) followed by October (4,387).

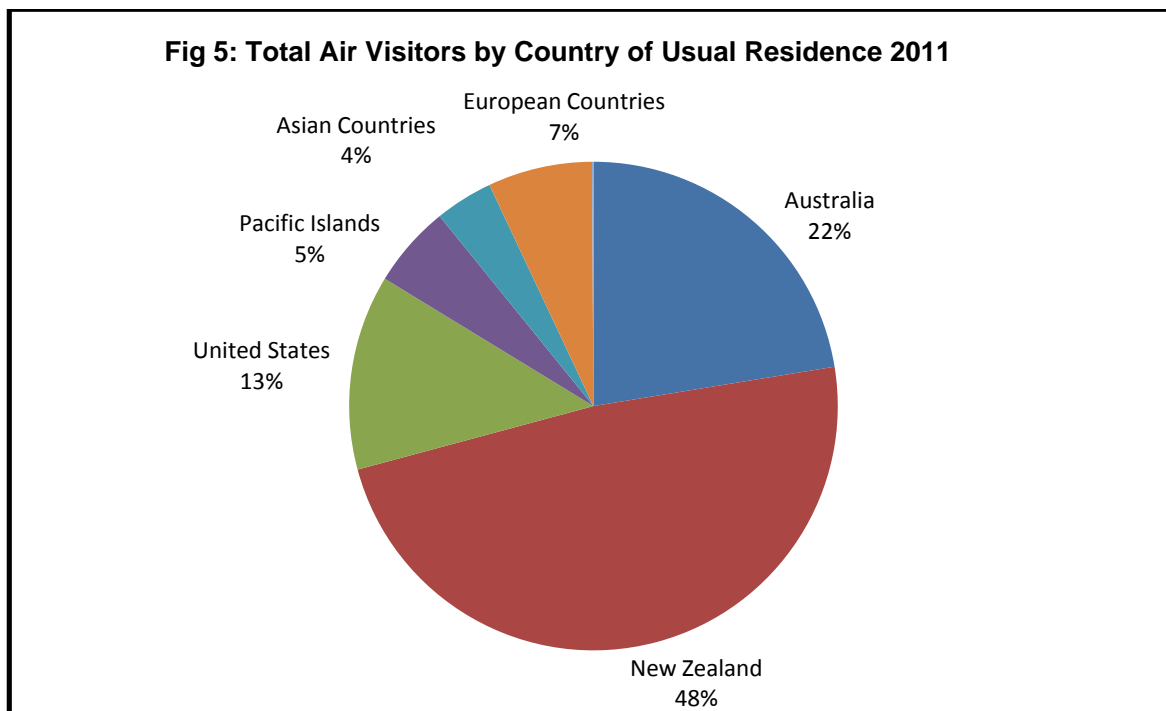

## 2.3 Total Air Arrivals by Passenger Type and Month 2011

The highest number of returning residents was in January 2011 after the Christmas holiday period. Visitor numbers were highest in December with Tongans residing overseas visiting Tonga for the Christmas Holidays.

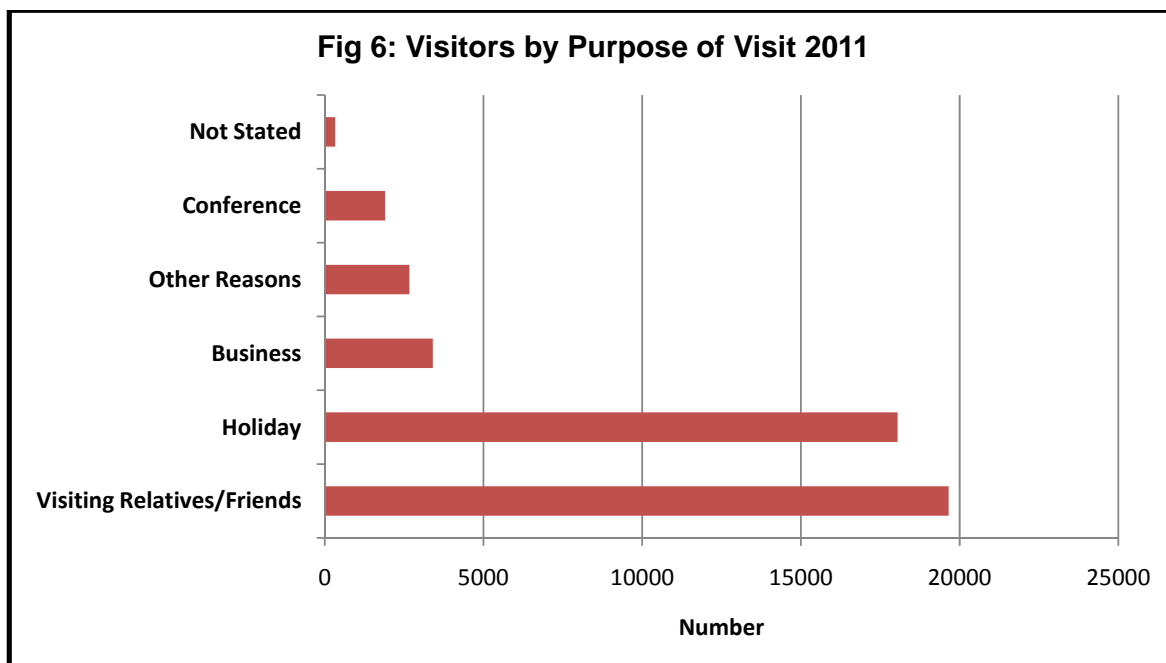

## 2.4 Total Air Visitors by Country of Usual Residence 2011

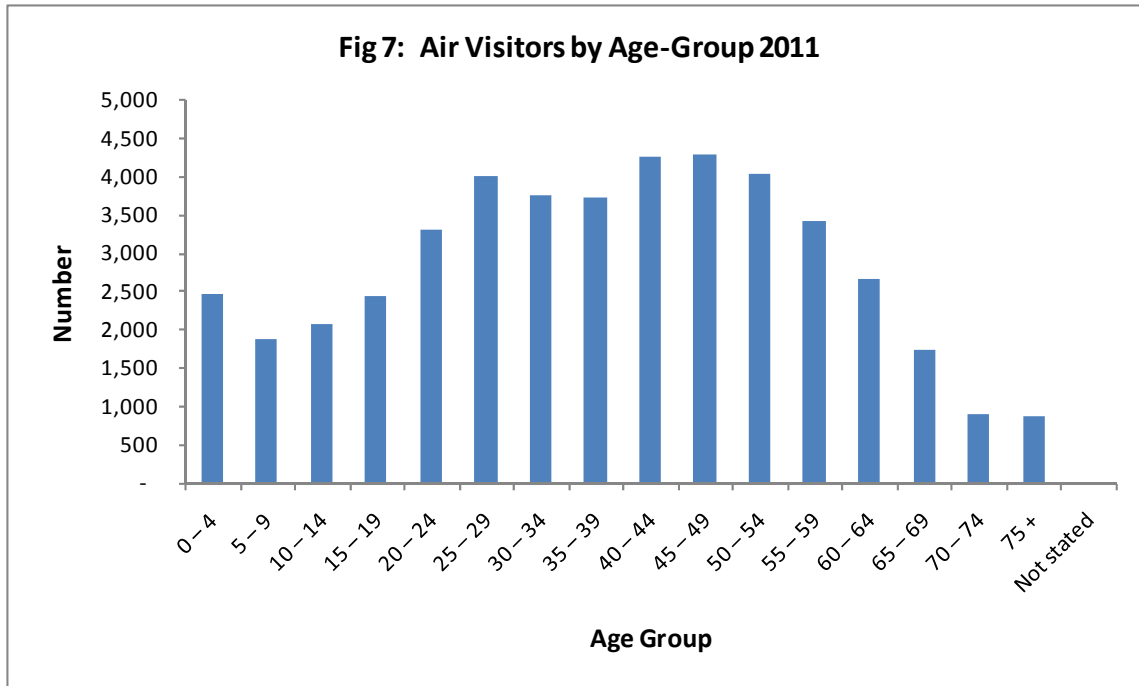

New Zealand made up almost half of visitors in 2011 followed by Australia and the United States.

## 2.5 Visitors by Purpose of Visit 2011

Most visitors to the Kingdom were visiting relatives and friends (43%) followed by holiday makers (39%).

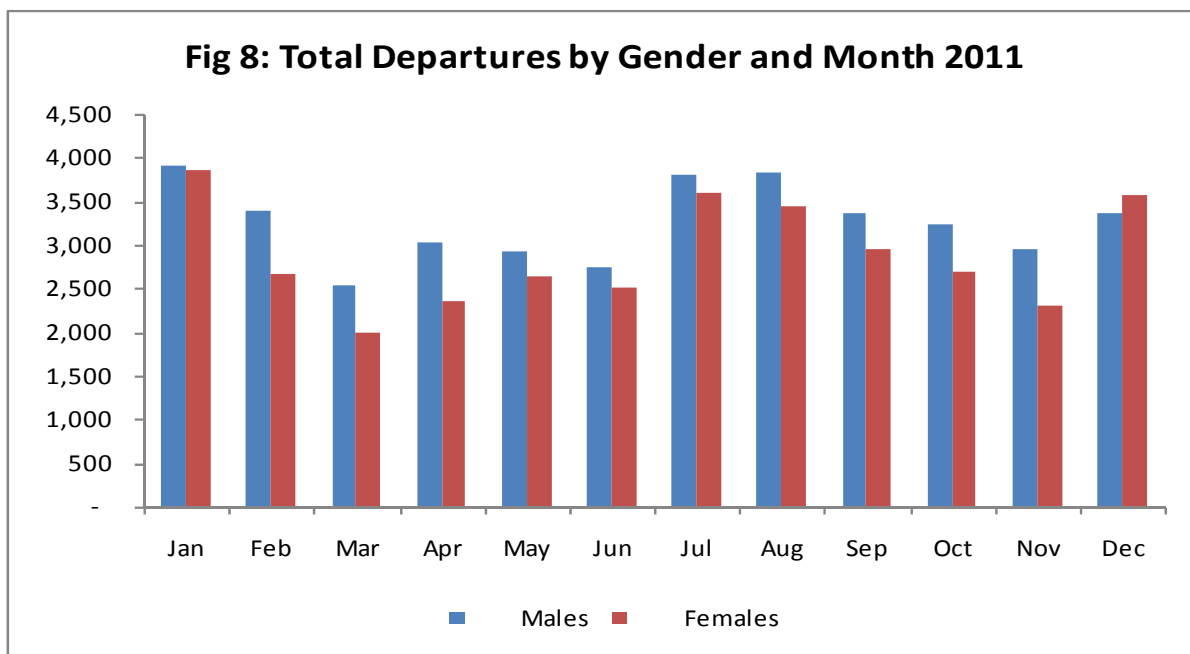

## 2.6 International Air Visitors by Age Group 2011

The majority of visitors were in the 40 - 54 age groups, followed by the 25 – 29 age group.

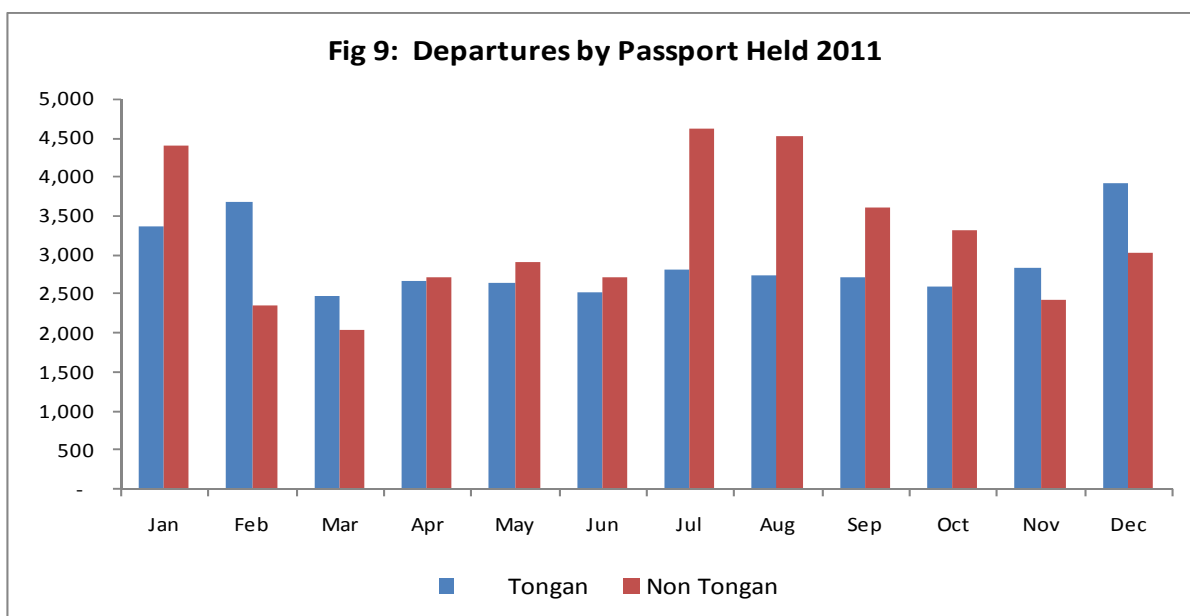

### 3. International Departures

#### 3.1 Air Departures by Gender and Month 2011

The figure shows that the lowest amount of departures for males and females were in March 2011, followed by June 2011. The high number of departures happened in January followed by July then August.

#### 3.2 Air Departures by Passport Held 2011

Tongan passport holders traveled overseas mainly in January, February and December whilst non-Tongan departed the Kingdom in January, July and August.

## 4. EXPLANATORY NOTES

### 4.1 PURPOSE

The purpose of this bulletin is to give an overview of total international arrivals and departures and their main social and economic characteristics.

**Statistics on Overseas Arrivals and Departures related to the number of movements of travelers rather than the number of travelers (i.e. the multiple movements of individual persons during a given reference period are all counted).**

### 4.2 COVERAGE

This bulletin covers all international arrivals and departures from the Kingdom of Tonga, including yachts and those through Lupepau'u Airport and all outer islands, during 2011. Final totals of arrivals and departures are based on the reconciliation between the Ministry of Foreign Affairs and Immigration Electronic data, Customs Wharf Register Air Terminal Services Manifest.

### 4.3 SOURCE OF DATA

Data is extracted from the arrival and departure cards of the Immigration Department, Ministry of Foreign Affairs, and Customs vessel & yacht log book. The Statistics Department reconciles the figures from the Air Terminal Services Manifest and Ports Authority Manifest to produce final published data.

### 4.4 DATA LIMITATIONS

Passengers on yachts and ships do not complete arrival and departure cards therefore we are unable to provide details on Age, Sex and Purpose of visit.

Due to the limitation on data collected, we are unable at this stage to determine whether arrivals and departures are of a long term or short term duration.

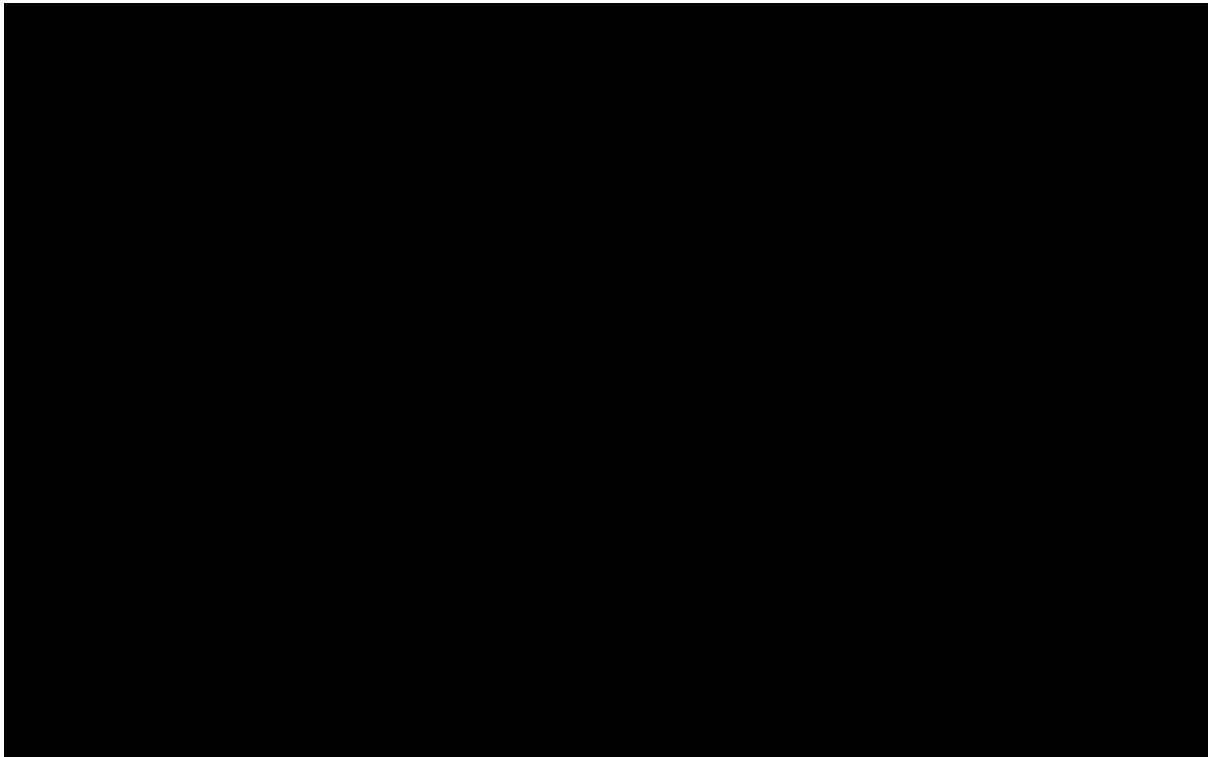

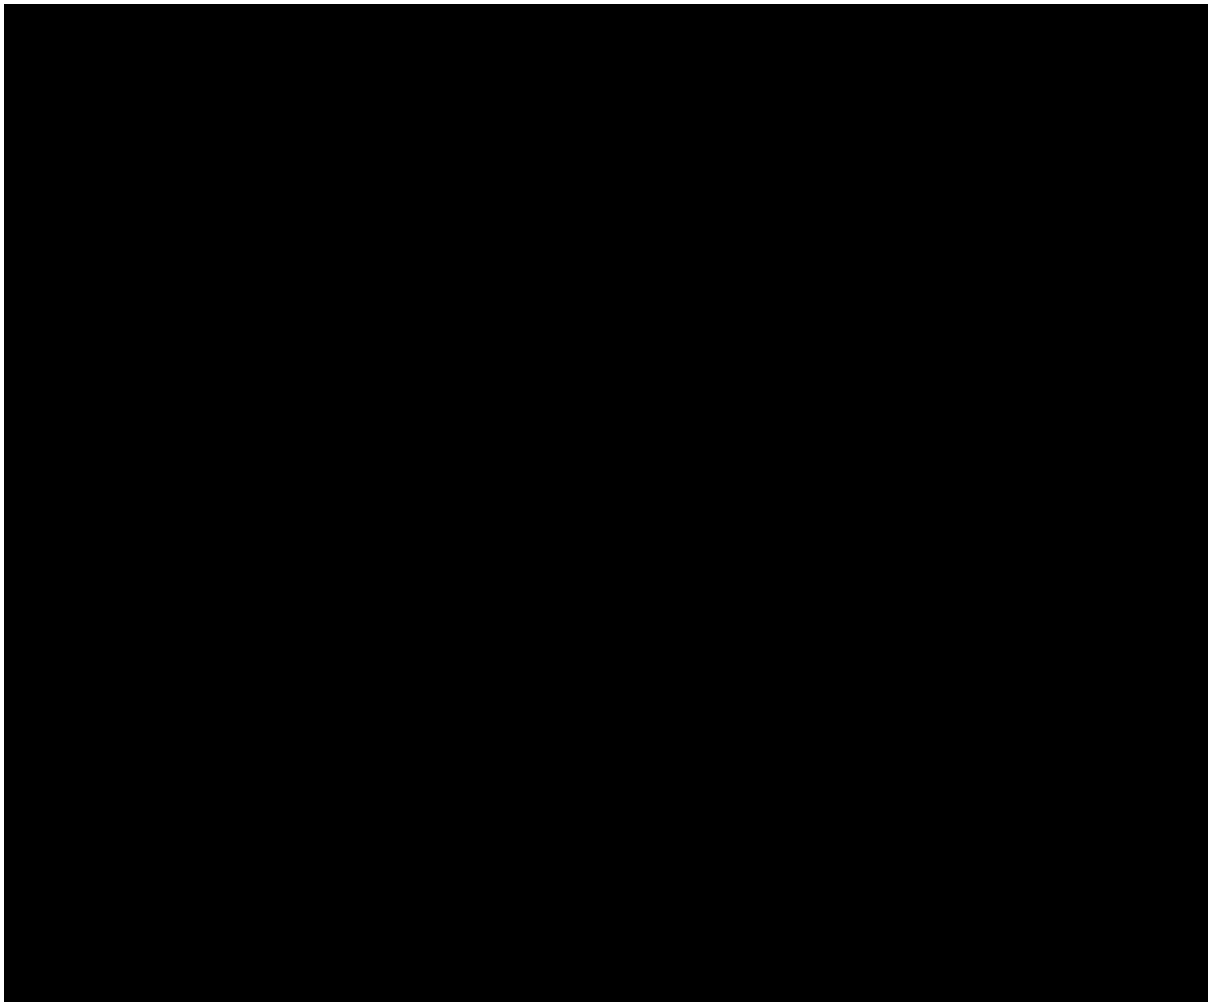

## 5. GLOSSARY

- ▶ **A Visitor** is a person other than a Tongan citizen, permit holder and exempted person, who usually stays at least 24 hours in the Kingdom, or who stays overnight in accommodation within Tonga. This refers to passengers arriving by air and yacht only.
- ▶ **Cruise Ship Passengers** are defined as those who arrive and depart in the same vessel which is a cruise trip, and use that vessel's accommodation during their stay in Tonga. They are also known as "Excursionist"
- ▶ **A Returning resident** is a person who has the Kingdom of Tonga as their permanent address for more than six months of the year and returns to Tonga after a trip overseas.

Tongan residence is self-defined as reported by travelers when completing the Passenger Arrival Card.

- ▶ **Main reason for journey** On arrival in Tonga, all overseas visitors and Tongan residents are asked to state their purpose of journey. Statistics are published using the following categories: Holiday, Business, Visiting friends and/or relatives, Conference, Others.
- ▶ **Mode of Transport** Only air, yacht and cruise ships passengers are included. Passenger/crew on cargo, navy or special vessels are excluded.

The Statistics Department wishes to acknowledge the cooperation of the Immigration Department of the Ministry of Foreign Affairs and Trade and the Custom Department of the Ministry of Revenue Services, Air Terminal Services, Ports Authority making it possible to publish these important statistics.
